Welcome to

TRULLO DEL LAZZARONE

Nestled among the olive trees and prickly pears of the Fasano countryside, Trullo del Lazzarone is an authentic and romantic retreat where you can experience the essence of Puglia. Carefully renovated a few years ago, it retains the original charm of its two stone cones.

Outside, time passes slowly between comfort and nature: a solarium area with two loungers and a hot tub invites total relaxation, while the outdoor shower provides refreshment on summer days.

Under the shaded pergola is a large table for al fresco dining, alongside a built-in kitchen with barbecue. Completing the space is a lounge area for relaxing at sunset and a convenient on-site parking space.

An authentic, intimate place rich in detail, ideal for those who wish to experience Puglia in all its tranquility and beauty.
